

Mississippi Department of Environmental Quality Underground Storage Tank (UST) Program

Companies with Approved Education Courses

January 1, 2017

The courses listed are the **only** courses approved by the Mississippi Department of Environmental Quality (MDEQ) at this time to meet the education requirements as stated in the *Mississippi Underground Storage Tank Regulations for the Certification of Person Who Install, Alter, and Remove Underground Storage Tanks*. Credit may be given if the course was taken at a previous time of location.

To become certified to install, alter, or remove USTs, you must do the following:

1. Submit a completed Certification Application to MDEQ;
2. Submit a signed certificate(s) of course completion;
3. Submit a signed letter from your employer stating that you are a full-time employee of the company (does not apply if you are the owner or if you will **only** work on USTs that you or your employer own);
4. Submit proof of financial responsibility (does not apply if you will **only** work on USTs owned by you or your employer); and
5. Take a UST closure test and, if applicable, take a test on installation and alteration of USTs. You must make at least 75% on each test.

To renew your certification, you must submit to MDEQ, **before** your certification expires, the following:

1. A completed Certification Renewal Application;
2. A signed certificate(s) of course completion; and
3. Proof of financial responsibility, if required for you certification (you have an H in your certification number).

Education Requirements:

1. Certification install, alter, and remove USTs: 8 hours of installation related course work **and** 8 hours of closure related course work.
2. Certification to **only** remove USTs: 8 hours of closure related course work.

Certification applications, renewal applications, and updated course listings may be obtained by writing to MDEQ, UST Program, P.O. Box 2261, Jackson, MS, 39225-2261 or by calling (601) 961-5282. Courses will be added as they become available. **Check with course provider to schedule a course and to confirm the dates and the location of the course.** Closure courses are highlighted in bold type.
